LIHWAP  
\$8,872.65

TBRA  
\$22,941.00

### GROWTH-

CSBG TOPS met the goal of transitioning customers to self-sufficiency for the first time in three years. This has been tracked since 2008 and this is one of only two times that the transitioning goal has been met. We credit this to having CSBG focused Case Managers and appropriate training being available to them.
