- 3. CEAP ARP has expended 1.5M and expected to spend the remaining 1.3M by the end of May 2022, to include the extra support funds to purchase a vehicle for the IT department
- 4. CEAP 2022 has not expended any funds to date. We must finish the CEAP ARP grant first. CEAP 2022 funds will be expended by December 31, 2022.
- 5. Total ARP and CEAP 2021 funds of 3.4M have been expended; serving 10K clients, and 6,889 households to date. This has been accomplished by implementation of Accountability measures.
- 6. The LIHWAP water grant total is \$643K, timeframe to expend is One and half years. Currently we are facing a slow start. We have only three Vendors that have committed to participate. It will take attending more City Council meetings in our service areas. There are three phases to this grant: 1) Arrears or disconnect status payments;

Three case managers have been selected to concentrate on CSNT's CSBG TOPS program. (CSNT is planning to have an outside individual to train staff on how to choose clients who are interested in transitioning out of poverty.) CSNT's the enrollment goal is 51 by the end of May. Currently there are 10 enrolled, and 17 is expected to be acquired and transitioned. CSBG has spent \$4300 on tops to date and have \$50K budgeted.

- 9. For Clients who appear unable to transition, there is a term used as CSBG Stabilization. This covers these clients who may not be able to transition due to being on a fixed income and unable to work. Some services that we have provided is a previous utility bill outstanding from a prior location; assistance to obtain a birth certificate; and assist Homeless individuals who may have money for their deposit but cannot afford rent.

About Us

Head Start is a comprehensive child development program which focuses on preparing children for entry into kindergarten. The program serves income eligible children ages 3-5 and their families by providing educational, health, dental and social services free of charge.

The educational component focuses on pre-reading skills, phonemic awareness, numeric development and social skills. All children are screened at the beginning of the program year to assess their development. All children receive physicals annually and any needed medical attention is obtained through their insurance or provided by Head Start. Children diagnosed with disabilities are fully included in all aspects of the program.

In addition, each child's family is case studied to determine their strengths and needs and a Family Partnership Agreement is developed to ensure that each child and their family receive the maximum amount of success from the services that are available.

Head Start currently serves more than 481 children in Bowie, Camp, Cass, and Morris counties.

Educational Philosophy of Head Start

Head Start adheres to the philosophy that parents are the prime educators of their children. The Educational Program provides parents with the opportunity to learn additional parenting skills, and also an opportunity to learn how to work more effectively with their own children.

Head Start works to enrich children with a learning environment and varied experiences appropriate to their age, stage of development and cultural background, which will help them to develop socially, intellectually, physically and emotionally.

CSNT Mission Statement

CSNT applies all available strategies enabling Northeast Texas families to lead improved, empowered, and self-reliant lives.

CSNT Head Start Vision Statement

To provide a system of education and encouragement which results in school-readiness for young children and their families.

Parent Committee and Policy Group Participation

You will have an opportunity to serve in the following capacities:

- Parent Committee: This committee is set up at the local campus level and is composed of all parents with children enrolled in the Head Start (HS)/ Early Head Start (EHS) Program. As a HS/EHS parent you automatically become a member of this committee.
- 2. Head Start Policy Council: This group is set up at the agency level and is composed of at least 51% parents, plus community representatives. The parents are elected from the local parent groups annually.
- 3. Board of Directors: This is the grantee agency for the operation of the Head Start Program. The Agency has a 12– member Board of Directors, including one member from Policy Council.

DISCIPLINE/GUIDANCE POLICY

Each Campus has a copy of *MINIMUM STANDARDS RULES for LICENSED CHILD-CARE CENTERS* which contains reasonable standards for childcare facilities in Texas. All staff and volunteers are required to undergo training on minimum standards to ensure safe childcare.

The following is a short, but important, list of discipline and guidance policy that Head Start expects every staff and volunteer to know: The Campus's staff must ensure that discipline and guidance are consistent, are based on an understanding of individual's needs and development and promote self-discipline and acceptable behavior.

There must be no cruel, harsh, or unusual punishment/treatment.

- -Staff or volunteers must not shake, bite or hit the children.
- -The staff must not put anything in or on a child's mouth as punishment.
- -The Campus's staff may use brief, supervised separation of children from the group if

necessary, but the staff must not place children in a locked or dark room with the door closed.

Use your "inside voice" when speaking to the children. Remember, it is not always WHAT you say but HOW you say it. Your tone of voice should reflect respect for the children and concern for their well-being.

"No" and "Don't" are not Head Start words. Use positive statements to obtain the behavior you are seeking. For example, instead of "Don't run," try "Use your walking feet" Instead of "Don't throw rocks," try "Let us leave the rocks on the ground".

You are a role model for the children. Using "Please" and "Thank You" as much as possible will teach them to use these positive words, too.

EMERGENCY AND FIRST AID PROCEDURES

Each Campus has an emergency/evacuation plan for response to fire and/or natural disasters. This plan includes procedures for evacuations for fire and sheltering/severe weather, which includes an alternate location. Fire drills will be conducted monthly; sheltering/severe weather drills are done once every three months.

A copy of the plan is posted in each classroom, Family Service Worker and Campus

Director Offices. Information on dates and times of drills are posted, this plan is available for review at any time through your Campus Director. The Campus Director will go over these procedures with volunteers.

First aid kits and fire extinguishers are in the Campus and on all buses. Staff are the personnel who can administer first aid to the children. Should a child become injured, report it immediately to the classroom teacher.

Education

Early Head Start/ Head Start will provide your child with an individualized educational program based upon Frog Street 2020/Three's/ Infant/ Toddler. A lesson plan will be developed for your child on a weekly basis. Frog Street Curriculum addresses the Head Start Child Development and Early Learning Framework.

This means that your child's needs will be met in a responsive manner by his/her primary teacher. Infants and toddlers learn through play and exploring their environment. Your child's teacher will be provided activities and materials that encourage your child's development. Activities for children in the room will vary according to their own needs.

Early Head Start children will be provided a daily report on your child about your child's days. A minimum of two parent conferences and two home visits will be scheduled during the year to discuss your child's progress. However, your child's teacher is available to meet with you at any time if you have a question or concern.

Head Start/ Early Head Start staff provide an initial developmental, vision and hearing screening for your child. This screening is conducted within 45 days of enrollment into the Program. Early Head Start Developmental screening is Ages and Stages. Head Start uses Dial 4. The results are used to begin individual planning for each child.

Indoor/Outdoor Play

Early Head Start/ Head Start will promote indoor and outdoor physical activity throughout the day. A minimum of two daily opportunities for outdoor play, weather permitting, in which a child makes use of both small and large muscles for a total of 60 minutes daily. There will be child initiated activities that include equipment, materials and supplies needed that are within reach of the child and the child will be able to choose the activity. The Teacher will also plan at least two activities daily to promote movement.

Outdoor play provides for greater freedom and flexibility, fuller expression through loud talk, and a greater range of active movement. Outdoor play also extends opportunities for large muscle development, social-emotional development, and small muscle development by offering variety, challenge, and complexity in ways that are not attainable in a confined indoor space. $\ \square$ Ensure that all vaccinations for the animals are up to date by the Texas Health and Safety Code.

Water Activities

We do not have water activities for our Head Start children. The only water activities that the children have are a sand and water table inside the Campus.

Family Services

The focus of the Family Services/Parent Involvement Program is on the child, the family, and the community as a group of interacting personalities. The role of the staff is to provide support to the child and family. The purpose of the Dial 4 Screener is to obtain a snapshot of a child's development in order to identify the children wo may need more comprehensive evaluation. When the decision is made to refer a child for further assessment because of failed screening assessments and/or previous services, the classroom teacher will conduct a conference with the parent of the child and discuss the developmental screenings and assessments.

Children, ages six weeks to three years, also receive the Ages and Stages Screener. Any child needing further assessments will be referred to Opportunities, Inc. upon written permission from the parent. The Mental Health Advocate will assist the family throughout this process.

Children three to five years of ages with suspected disabilities are referred to the Local Educational Agencies (LEA's), once the parental consent has been obtained. Services will be provided to address developmental needs through the implementation of an Individual Educational Plan (IEP).

Mental Health Services

In the over-arching goal of Head start/Early Head Start to aid in the development of growth of the whole child, we strive to monitor, assess, and provide intervention related to the social, emotional, and behavioral learning needs of participating children. All Head Start/Early Head Start children will receive a social emotional screening within the first 45 days of entry using the Ages and Stages Social Emotional Screener.

We focus on developing healthy relationships with children and their caregivers, creating a supportive, nurturing, safe environment, and using age appropriate social/emotional curriculum to help children develop greater awareness and improved social functioning.

These strategies are typically effective at helping children reach social, emotional, and behavioral milestones, but for those children and families identified through early screening, teacher or parent referrals as needing additional support, more intensive individual and family interventions are available from trained mental health professionals and paraprofessionals, including observations, screenings, assessments, and treatment services for the child and family.

Transportation

Early Head Start DOES NOT provide transportation*

Head Start Transportation is very limited. Transportation to the Head Start Campus is provided only to those children with no transportation, or transportation issues. No bus services will be provided for children with adequate means of transportation. Families that are found with adequate transportation will be denied bus services or dropped from the bus route.

Bus Safety

Riding on the Bus

- ⇒ Students must go to a seat and be seated immediately upon boarding.
- ⇒ The bus will not move until all children are seated and buckled.
- ⇒ Students must remain seated while the bus is moving.
- ⇒ Students should keep arms, hands, legs and heads inside the bus at all times.
- ⇒ Fighting, scuffling and the use of profane or inappropriate language is not allowed.
- ⇒ The emergency doors and exit window controls should be used only during frills or actual emergencies.

Unloading from the Bus

- ⇒ All students will remain seated until the bus comes to a complete stop. DO NOT RUSH!
- \Rightarrow All students and Bus Monitor will move away from the bus immediately upon leaving the bus.
- ⇒ If a child must cross the street or road after getting off the bus, he/she should walk to the front of the crossing arm, hen stop and look to the driver for a signal to cross in front of the bus with the Bus Monitor.

Children riding ISD school buses will follow the policies and procedures of the district.

In-Kind

The Federal Government requires that twenty percent (20%) of the Head Start grant will be matched with contributions from parents and the community. These contributions are called "inkind" and consist of volunteering, attending Head Start activities, donating materials, working on your child's educational goals at home, serving on Policy Council or Head Start Committee's and many other ways. You ill be asked to fill out an "in-kind" form when services or materials are provided to the Head Start /Early Head Start Program. If goods or materials are purchased, please submit receipt.

Volunteering or becoming active at the campus or with home activities is a great way to be engaged in your child's education and is included with the Head Start Performance Standards. All of the activities listed) but not limited to) n this handbook are ways for parents to lend a helping hand and volunteer. The activities also count a "In-Kind" for the program. See chart below
