| 1/24/2023 | CSNT Head Start is paying the additional costs of the (2) new HVAC Units at the Pittsburg Head Start Campus with C-6 Funds. |

CSNT has gotten approval in the PY04 Head Start Grant Application to replace two old HVAC units at the Pittsburg Head Start Campus. These replacement units will improve the air circulation and distribution at this location. The new units will also diminish the spread of viruses at this location. Due to the COVID Epidemic shutdowns, the HVAC Unit prices have increased since the original estimate was received last year. The American Recovery Plan (ARP) C6 Funds are to be used for expenses incurred due to the COVID Epidemic. The increase in the HVAC Unit prices is the result of the COVID Epidemic.
