

Whistleblower Protection

The Agency will consider any reprisal against a reporting individual an act of misconduct subject to disciplinary procedures. A “reporting individual” is one who, in good faith, reported a suspected act of misconduct in accordance with this policy, or provided to a law enforcement officer any truthful information relating to the commission or possible commission of a federal offense or any other possible violation of the Agency’s Code of Conduct.

Employees, Directors, volunteers, contractors, or other interested parties may report misconduct by calling the CSNT 24-hour Whistleblower Hotline at 1-800-858-6143.
