

I.T. REPORT (MARCH)

DAVID BUFORD

I.T. COORDINATOR

REPORT ON CAMERA INSTALLATION AND COMPUTER SETUP

I HAVE SUCCESSFULLY INSTALLED FIVE ADDITIONAL CAMERAS AT HUGHES SPRINGS HEAD START TO ENHANCE VISIBILITY IN AREAS WITH BLIND SPOTS WITHIN THE CLASSROOMS. THIS WAS ACCOMPLISHED WITH THE ASSISTANCE OF THE MAINTENANCE CREW. ALL CAMERAS HAVE BEEN INSTALLED, THOROUGHLY TESTED, AND ARE NOW FUNCTIONING PROPERLY.

IN ADDITION TO THE CAMERA INSTALLATIONS, I AM CONTINUING THE PROCESS OF SETTING UP THE REMAINING COMPUTERS WITH WINDOWS 11.
