COMMUNITY ACTION CODE OF ETHICS

We, as Community Action Professionals, dedicate ourselves to eliminating poverty in the midst of plenty in this nation by opening to everyone the opportunity for education and training; the opportunity for work; and the opportunity to live in decency and dignity; and with respect for cultural diversity, commit ourselves to:

- Recognize that the chief function of the Community Action movement at all times is to serve the best interests of the poor, thereby serving the best interests of all people.
- Accept as a personal duty the responsibility to keep up to date on emerging issues and to conduct ourselves with professional competence, fairness, impartiality, efficiency, and effectiveness.
- Respect the structure and responsibilities of the board of directors, provide them with facts and advice as a basis for their making policy decisions, and uphold and implement policies adopted by the board of directors.
- Keep the community informed about issues affecting the poor; facilitate communication by the poor with locally elected public officials and the private sector.
- Conduct our organizational and operational duties with positive leadership exemplified by open communication, creativity, dedication, and compassion.
- Exercise whatever discretionary authority we have under the law to promote the interests of the poor.
- Lead the Community Action movement with respect, concern, courtesy, and responsiveness, recognizing that service to the poor is beyond service to oneself.
- Demonstrate the highest standards of personal integrity, truthfulness, honesty, and fortitude in all our Community Action activities in order to inspire confidence and trust in the Community Action movement.
- Serve in such a way that we do not realize undue personal gain from the performance of our professional duties.
- Avoid any interest or activity that is in conflict with the conduct of official duties.
- Respect and protect privileged information to which we have access in the course of official duties.
- Strive for professional excellence and encourage the professional development of our associates, including those seeking to become certified Community Action professionals.
Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to Helping People Help themselves and each other.

Our Core Values

A great team needs good pitchers and good catchers

P  Professionalism  C  Compassion
I  Integrity  A  Accountability
T  Teamwork  T  Transparency
C  Character  C  Courtesy
H  Honesty  H  Humility
E  Ethics  E  Empathy
R  Respect  R  Reliability
There are two types of values recognized by CSNT:

- Pitcher Values
- Catcher Values

**PITCHER VALUES**

Pitcher Values are those which we ‘throw’ out each day with our forward actions. It might be difficult for someone to see us exemplifying these values without our outward actions.

**CATCHER VALUES**

Catcher Values are those which are more visible by others simply by watching us do what we do each day. They are the things that people ‘catch’ us doing in our daily routine.

GETTING OUT OF POVERTY

Getting out of poverty is not easy. We define that movement as being eligible for Community Services Block Grant assistance, and then through the efforts of both the family and Community Services of Northeast Texas, becoming ineligible for a period of ninety days. This means the household income is now above 125% of the Federal Poverty Guidelines for a period of three months.

In Texas, Governor Abbot has mandated that we must transition a certain number of individuals out of poverty each year. Additionally, we should spend no more than $25,000 per individual in doing so. Of course, that money doesn’t go to clients, rather it pays for overhead, salaries, and fringe benefits for staff who help each individual out of poverty. For this period, Community Services of Northeast Texas transitioned twenty-three individuals out of poverty at a total cost of just over $18,000 per individual. Thus getting six more individuals out of poverty than the state mandate. Each year, we try to do more.

Some people may think that is a very low number given all the families we work with. Sometimes we have to redefine our success. Some major league baseball players come to bat hundreds of times in a season, but never hit very many home runs.

We will take our 23 home runs as a major victory.
TRANSPARENCY

I believe my actions and the actions of my team are pure, and will withstand public scrutiny.
