<u>Justification of sale</u>					
<p>This playground equipment was purchased for Linden Head Start children ages 3-4. These slots are being converted to Early Head Start slots at another location. The School District where the equipment is located is still offering Pre-kindergarten services and could use the equipment. If the District does not purchase the equipment, CSNT Head Start will move the equipment to another location. Costs to move the playground is very expensive and would cost as much as a new playground.</p>
